## Protocol for BrainyAct Providers (Updated 10.1.20)

1. Child completes BrainyAct Assessment
2. Parent or Provider submits demographic information and uploads video
  - a) Go to <https://dynamynd.com/upload/>

**Please include the following with your BrainyAct session:**

<input type="text"/>	<input type="text"/>	<input type="text"/>
Child's Name*	Child's Age*	Parent or BrainyAct Provider Email*
<input type="text"/>	<input type="text"/>	
BrainyAct Provider's Name (If any)	Video File Name(s)	

**SUBMIT DEMOGRAPHICS**

**Click here to upload your session:**

**UPLOAD VIDEO**

- b) Enter demographic information and click “SUBMIT DEMOGRAPHICS”
  - i. Child’s name
  - ii. Child’s age
  - iii. Parent or BrainyAct Provider Email – we will email this address if we do not find a video associated with this child
  - iv. BrainyAct Provider’s Name – we will email the report to you
  - v. Video File Names – indicate here if there is more than one video by adding “1of2, 2of2, etc.” to the file name
- c) Upload video(s)
  - i. Click “UPLOAD VIDEO”
  - ii. Click to choose the file(s) from the computer/device or from an individual’s Dropbox account
  - iii. You can upload multiple videos for the same child by selecting all videos at once, or by going through the process again

3. Once video is received, Dynamynd emails provider with a “Video Received” confirmation email, including approximate time to expect report
  - a) If you or parent has submitted demographic information and uploaded the video and you don’t receive a confirmation email within 2 business days, please email [info@dynamynd.com](mailto:info@dynamynd.com)
4. Video scored by Dynamynd team
5. Report emailed to provider within \*one week of “Video Received” confirmation
  - a) \*There are few instances (KolbeCon week, etc.) where it may be up to two weeks – provider will be notified of any foreseeable delays in “Video Received” confirmation email
